My household requires an accessible home.

Accessible (barrier free) homes have accessible building entrances without steps or changes in level, wider clearances and doorways within the home, barrier free showers or tubs with handheld showerheads, and may have lowered kitchen and bathroom counters. Not every barrier free home will have every barrier free design element.

This personal information is being collected under the authority of section 33(c) of the Freedom of Information and Protection of Privacy Act (FOIP) and/or in accordance with any applicable agreements in place. All personal information collected during the income review process, during the course of the customer(s)'s stay, and for participation in any programs will be used to provide services and ensure a safe and secure environment of all our customers. Your information will be treated in accordance with the privacy provisions of Part 2 of the FOIP Act. Limited information may also be provided to the Minister of Seniors and Housing for the purpose of developing programs, activities or policies (e.g. research, statistical analysis) or for receiving provincial and/or federal funding. If you have any questions, please contact our FOIP Coordinator at 780-420-6161.
